

RENATA ESTES

Web Designer

SUMMARY

Web Designer with a foundation built through leading an independent web design studio, designing and building mobile-responsive websites with a user-centered design approach that increased client brand recognition by up to 25% and user engagement by 20%. Skilled in managing the full design lifecycle from client intake through launch and post-launch optimization, leading creative direction and building cross-border partnerships across the U.S., Guatemala, and the Caribbean.

EXPERIENCE

Web Designer, Freelance, Austin, TX

01/2019 – Present

- Produced high-performing websites and brand assets for clients across industries, increasing brand recognition by up to 25% and user engagement by 20%.
- Managed the full website design lifecycle, from client intake through launch and post-launch optimization, as creative lead and strategic partner.
- Designed and built mobile-responsive websites aligned with client branding, including a non-profit site with an integrated donation system and clear calls-to-action.
- Led creative direction using a user-centered design approach, shaping content frameworks and brand voice for consistent client messaging.
- Built cross-border creative partnerships across the U.S., Guatemala, and the Caribbean, delivering localized web content and market entry strategies.

Marketing and Communications Coordinator, UTM, Austin, TX

11/2023 – 11/2025

- Directed the full creative and messaging overhaul of joinutm.org, aligning visuals, copy, and user pathways with the organization's evolved brand identity.
- Orchestrated social media strategy with the director across four platforms (Instagram, LinkedIn, Facebook, and Twitter), growing the follower base to 2,000+ in six months with a sustained 15% average engagement rate.
- Developed and executed 100+ targeted email campaigns reaching 4,000+ subscribers, maintaining a 45% open rate and 22% click-through rate, well above industry benchmarks.

Fellow, Young Leaders of the Americas Initiative, Lima, Peru

01/2024 – 02/2024

- Created bilingual social media content in Spanish and English for Descubriendo Juntxs, still in use today and helping expand the organization's reach globally.
- Spearheaded 3 leadership workshops for 75 participants across Huancayo and Ollantaytambo, with 90% reporting increased confidence in their leadership abilities.
- Developed a bilingual curriculum on emotional intelligence and self-discovery, driving a 40% increase in participants' self-reported emotional awareness.

EDUCATION

B.A. in International Relations and Affairs, Minor in Latin American Studies

University of Texas at Austin, 2016
